Sponsor child

The Committee received the following letter and photo from our sponsor child – Anife Amoto from the Philippines.

Dear Friends,

Praise be Jesus and Mary!!

How are you now? I hope that you are in good health and condition. I always pray for and your family. You know I'm already grade six and our school is a public school and I'm happy that I got good grades last school year and I will try my best to get good grades this school year. My vacation last month, was not happy because my father died and my mother is disabled and I'm sad that my brothers are not studying because my mother cannot afford to send them to school.

Last May is our National election here in Philippines, It was terrible but thanks to God it was successfully done. I always pray to God that there will be peace here in the Philippines. But even though the situation here is not so good, I'm still proud of my country because people here is also nice and there are beautiful places here that you can really relax. I hope that you can visit us here. I am thankful to God that there are people like you who are ready to help us.

God bless and More power

Sincerely,  
Anife Amoto
