

Chestnut Roasting at the Scalabrini Villages

The Committee members and friends contributed their time in May 2007 to visit the following all the Scalabrini villages, currently at:

- Allambie Heights
- Austral
- Bexley
- Chippen Norton
- Drummoyne

The Association purchased 100kgs of chestnuts for this project, which is appreciated by all residents and staff at the villages. This event has become a social calendar event for the villages as it coincides with Mother's Day weekend.

A special thanks you should go to Nino Quatroville for donating a portion of the chestnuts for the day.
