

Message from the Secretary

Dear Friends

It is with great pleasure that I again am writing this message as the Secretary of the Association SS Crocifisso.

It seems like yesterday, the day I decided to get involved in the SS Crocifisso Association, and it now close of 5 years of me being involved. My reasons behind this decision to join the Association were that I would like to see the typical Grotteria traditions continue for many, many years. One of the traditions, that I believe should continue is the annual festa which is celebrated on the second Sunday of September.

This year the annual festa is held on 9 September 2007 at the Holy Cross College at Ryde, with the mass commencing at 1.00 pm. I encourage you all to attend and help celebrate this religious day.

I would also like to inform our member that the Annual Ball will not be held this year due to the unavailability of Doltone House at Jones Bay Wharf. The Committee is currently in discussion with Doltone House at Jones Bay Wharf for an available date in 2008. We will inform all members once this date is confirmed.

I would like to take the opportunity to thank all our sponsors and members whose contribution and support is greatly appreciated by myself and the Committee.

Last and not least, I would like to thank the Committee for their continued help and support they provide at organising events during the year.

I hope you all have a wonderful year.

Secretary

I would like to thank all the sponsors, for their continuous support this year and also our members and friends. I would like to thank each and every committee member for their continuous voluntary support, hard work and patience throughout the year. I would also like to thank Frank Cutrone for his continuous support to the Association.

I hope to see you all at our Annual General Meeting (AMG) held in November 2007 to discuss the financials of the SS Crocifisso Association.
