

Festa del SS Crocifisso 2006

10 September 2006

Holy Cross College, Ryde

The day commenced at 1.00pm with the mass, however, we were not able to proceed with the procession due to wet weather. A special thank you should go to Anna Belcastro who spent a lot of time and effort into organising the mass for the Festa. Another thank you should go to Tony Delmati, who each year assists with the mass for the Festa as well as other religious events held by the committee throughout the year.

After the mass everyone gathered for the complimentary BBQ. Everyone that attended had an enjoyable day.

I would like to take this opportunity to remind everyone, whether from Grotteria or not, to continue to support our festa by attending. This tradition of celebrating saint days has been in circulation for decades and should continue for many years. The younger generation should also try to attend these days so that the tradition can be maintained for many, many years to come.
